

“WHEN YOU WANT THE BEST”

COMPANY QUALITY POLICY

“When You Want The Best”, Precision Granite USA comes through by offering competitively priced, high quality products and services that are delivered on time, every time.

Upheld by our ISO 9001 Quality Management System, we are determined to meet or exceed our customer’s requirements, and the requirements for ISO/IEC 17025 accreditation.

Precision Granite USA’s goal is ongoing improvement of business performance by maintaining top management and employee participation so we may continue to provide quality products and services.
