

**CALIBRATION and RESURFACING PRICES
 for our Southern California area**

Prices for granite surface plates are as follows:

Calibration:		\$ 4.00	Price per sq. ft.*
	Minimum per unit	\$ 25.00	
Resurfacing:			
Shop Grade B		\$ 14.00	Price per sq. ft.
Inspection Grade A		\$ 16.00	Price per sq. ft.
Laboratory Grade AA		\$ 19.00	Price per sq. ft.
	Minimum per unit	\$ 35.00	

Service minimum for work performed at your facility is \$85.00, plus travel charge; or \$100.00 for work performed at Precision Granite Co. Freight charges to and from Precision Granite Co. are not included.

Above resurfacing prices are based on normal wear. Surface plates that are pitted and excessively worn will be quoted on completion of calibration.

Note: Calibration charges are waived if resurfacing is completed at the time of calibration.

Prices for calibration and resurfacing of granite accessory items are quoted on request.

Calibration Certificate is traceable to N.I.S.T. and complies with:

- ISO 10012
- ANSI/NCSL Z540-1
- ISO/IEC 17025
- GGG-P-463c

* TO FIGURE OUT SQUARE FOOTAGE, TAKE THE DIMENSIONS FROM THE TOP SURFACE OF THE PLATE IN INCHES.

LENGTH X WIDTH ÷ 144 = SQ. FT.
 EXAMPLE:
 24" X 36" ÷ 144 = 6 SQ. FT.
