

**CALIBRATION and RESURFACING PRICES  
 for Northern California area**

Prices for granite surface plates are as follows:

Calibration:		\$	5.00	Price per sq. ft.*
	Minimum per unit	\$	35.00	
Resurfacing:				
	Shop Grade B	\$	16.00	Price per sq. ft.
	Inspection Grade A	\$	18.00	Price per sq. ft.
	Laboratory Grade AA	\$	21.00	Price per sq. ft.
	Minimum per unit	\$	45.00	

Service minimum for work performed at your facility is \$105.00, plus travel charge; or \$100.00 minimum for work performed at Precision Granite. Freight charges to and from Precision Granite are not included.

Above resurfacing prices are based on normal wear. If plates are excessively worn or pitted, charges will be quoted when plates are calibrated.

Note: Calibration charges are waived if resurfacing is completed at the time of calibration.

Prices for calibration and resurfacing of granite accessory items are quoted on request.

Calibration Certificate is traceable to N.I.S.T. and complies with:

- ISO 10012
- ANSI/NCSL Z540-1
- ISO/IEC 17025
- GGG-P-463c

\* TO FIGURE OUT SQUARE FOOTAGE,  
 TAKE THE DIMENSIONS FROM THE  
 TOP SURFACE OF THE PLATE IN INCHES.

LENGTH X WIDTH ÷ 144 = SQ. FT.  
 EX: 24" X 36" ÷ 144 = 6 SQ. FT
