TOUGH HARD SHELL CASES AND CUSTOM ALUMINUM FIBERGLASS CASES ARE PROTECTIVE DURING SHIPMENT AND FOR STORAGE. RECOMMENDED FOR APPLICABLE PRODUCTS AND INTERNATIONAL SHIPPING REQUIREMENTS

Precision Granite ships daily within North America as well as internationally. Single shipments up to complicated assemblies are treated with the same care and expert crating and handling to protect the product.

International shipping often entails country specific regulations such as special wood crating and documentation. Our experienced sales team is ready to support our customers for a smooth export. Our ISO certification ensures the standards for international trade.

Export prices upon request.
